For the year ended 31 March 2006**

The directors present their report and the financial statements for the year ended 31 March 2006.

Statement of directors' responsibilities

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In determining how amounts are presented within items in the profit and loss account and balance sheet, the directors have had regard to the substance of the reported transaction or arrangement, in accordance with generally accepted accounting principles or practice.

So far as each of the directors is aware at the time the report is approved:

- there is no relevant audit information of which the company's auditors are unaware, and
- the directors have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information (s. 234ZA (2)).

Principal activities

The company's principal activity is to promote the economic development and regeneration, with a view to promoting the economic and environmental wellbeing, of an area within the districts of Thanet District Council and Dover District Council which are the subject of receipt of Objective 2 and Transitional funding ("Target Area") including, without limitation:

- (a) primarily to undertake or procure the provision of infrastructure works and wider regeneration activities; and
- (b) subject thereto to promote, provide and procure the provision of economic development activities and to promote, provide and procure the provision of other appropriate support activities, including without limitation, advice and training, in each case within or for the benefit of the Target Area.
