Freedom of Information Request – Strategic Framework Project Cowes & Medina Valley

Your request to SEEDA is:

"I have a copy of your Nov 2002 brochure re the above [Strategic Framework Project Cowes & Medina Valley].

...

The brochure mentions the adoption of a Strategic Framework to be adopted in March 2003. Did this 'adoption' take place, is the Framework still valid and am I able to obtain a copy of it?"

Information requested

We can confirm that the Strategic Development Framework has been adopted by the Isle of Wight Council in the form of a Supplementary Planning Guidance (SPG) and that this is still valid. Please see link below for the document:
