Freedom of Information Request – R & D Grant Details

Your request to SEEDA is:

Please provide me with payments made to a company called "Solcara" for grants obtained from SEEDA. I believe that two R&D grants were obtained, the second one in 2004 or 2005. This last grant is the one for which I am requesting payment details.

Information requested

SEEDA does not hold the grant information you have requested. Solcara is based in Harefield, Middlesex with a sales office in London and falls within the London Development Agency's (LDA) area of responsibility. It is possible Solcara may have applied for a grant to the LDA.

We are happy to transfer your request under the Freedom of Information Act to the LDA on your behalf but we would require your written permission to do this.
