Thank you for your Freedom of Information Request, dated 24th August 2009, concerning the Ramsgate Royal Harbour.

Information Requested

"This is a Freedom of Information request for details of all discussions and documents SEEDA have had or commissioned relating to any development in or around Ramsgate Royal Harbour, Ramsgate New Port or on the seafront in Ramsgate."

Information Clarification

We requested clarification of your request to focus our information retrieval effort and you replied:

"Please send details of any architectural work or proposals relating to developments in or around Ramsgate Royal Harbour or Ramsgate New Port carried out or commissioned over the last 12 months."

Information Held

Using your revised information request I have contacted the responsible teams at SEEDA and ascertained that SEEDA has not commissioned any architectural work or proposals relating to developments in or around Ramsgate Royal Harbour or Ramsgate New Port during the last twelve months. We can therefore state that SEEDA does not hold the information you have requested.
