Freedom of Information request – Oil Drum Limited Winning the Kent Innovation Challenge 2008

Introduction

Thank you for your Freedom of Information Request, dated 18/01/10, concerning Oil Drum Limited Winning the Kent Innovation Challenge 2008.

Your request is:

Back in 2008 Oil drum Limited (www.save-fuel.co.uk) won the "Kent Innovation Challenge 2008". The award was, I think, awarded by Sittingbourne Enterprise Hub, but the prize money came from SEEDA.

With regard to this I would like to know in 2008, :

- who were the other people who were short-listed to win the same award but were unsuccessful?
- who were the panel of judges who made the decision as to who won the award?
- what were the qualifications of the judges to make this decision.
- what evidence was supplied by Oil Drum to support their claims?
- who checked Oil Drum's claims were true or accurate?
- for what reasons was it decided that Oil Drum Limited should win?

Information requested

We regret SEEDA does not hold the information requested.

SEEDA only provided sponsorship for the Innovation Challenge. We therefore suggest a request to Sittingbourne Enterprise Hub Limited.
