

SEEDA Procurement Framework Panels

SEEDA does not have preferred suppliers but does have Framework Panels for consultancy and services. Each Framework Panel is a list of suppliers who have been contracted by SEEDA as a result of a compliant (OJEU) competitive tender process.

These are “call off contracts”, and there is no maximum value, but no guarantee that work will be assigned under the contract. At time of advertising the tender, an indicative value for the panel is given.

PANEL	MEMBERS
<p>Legal Commenced July 2007. Expires July 2011. Indicative value £12,000,000.
