Freedom of Information Request – ERDF Projects

Thank you for your Freedom of Information Request, dated 17/05/10

Your request to SEEDA is:

I understand that you are partly funded by the ERDF and are working on a number of projects as a RDA. With regard to this, I would greatly appreciate it if you could provide me with a list of your current projects that were approved in round two of the scheme. Contact details (phone numbers of certain people in charge etc.) for these projects should be included.

I realise that these may be available in the website but I would specifically like the projects that were approved in round two.

Information requested

Please follow the link below to our website, where all the Round 2 Projects are listed. Contact details as requested are provided for each project
