RE: Freedom of Information request – North American Trade Missions

Introduction

Thank you for your request dated 5th July 2010 made under the terms of the Freedom of Information Act 2000.

Your request is:

Please send me a listing or database (preferably in electronic format) of all companies from your region which participated in trade missions organised by SEEDA to the United States of America and Canada from 01 January 2005 up to the present day. If possible, I would like to receive the information classified by year, such as 2005, 2006, 2007, 2008, 2009 and 2010.

Information requested

UKTI (United Kingdom Trade and Investment) is the primary body responsible for organising and funding overseas trade missions on behalf of SEEDA. Therefore they will be better-equipped to respond to your query. We have forwarded your request to UKTI; they have confirmed that they have received it and will be responding directly to you in due course.
