Freedom of Information request – SEEDA website tenders

Introduction

Thank you for your Freedom of Information Request, dated 26th September 2008 concerning the ITT for the SEEDA corporate website redesign.

Your request is:

I would like to see:

- A copy of the SEEDA Invitation to Tender document for the recent SEEDA contract awarded in March/April/May 2008 for the development of the SEEDA corporate web site (www.seeda.co.uk).
- I also want to see a list of all the companies invited to tender for the contract, and a separate list of those companies that did actually tender for the work.

I would prefer to receive it both electronically (by email) and also in hard copy, sent to my postal address (as provided).

Information requested

A copy of the ITT is attached. A very small amount of personal data has been redacted from the ITT under the exemption for personal data. It is in any case out of date due to personnel changes at SEEDA.

This table provides the names of the companies invited to tender and those that did tender. The contract was awarded to Logistik and work on the redesign is currently underway.
